Everyday Savings Account: Terms and Conditions

1. About This Document

This document sets out the terms for the Kestrel Valley Cooperative Bank Everyday Savings Account. Kestrel Valley Cooperative Bank is a fictional institution created for software testing. These terms took effect on 1 April 2026 and replace all earlier versions.

2. Eligibility and Opening an Account

Any individual aged 18 years or older who is resident in India may open an Everyday Savings Account. Minors aged 10 to 17 may hold a junior account operated jointly with a parent or legal guardian.

To open an account, the customer must complete identity verification using a PAN card and one proof of address. Accounts opened online are activated within 2 working days of successful verification. A customer may hold at most three Everyday Savings Accounts at any time.

3. Minimum Balance

The account must maintain a monthly average balance of Rs 5,000. If the monthly average balance falls below this amount, a shortfall charge of Rs 150 plus applicable taxes is applied on the first working day of the following month.

No shortfall charge applies to junior accounts, or to accounts held by customers aged 60 or above.

4. Interest

Interest is calculated on the end-of-day balance and credited to the account quarterly, in the last week of June, September, December and March.

Interest rates are tiered by balance. Balances up to Rs 1,00,000 earn 3.25% per annum. The portion of a balance above Rs 1,00,000 and up to Rs 10,00,000 earns 3.75% per annum. The portion above Rs 10,00,000 earns 4.10% per annum.

The bank may revise interest rates with 30 days of written notice to the customer.

5. Withdrawals and Transfers

Customers may make up to five free cash withdrawals per calendar month at Kestrel Valley ATMs. Each additional cash withdrawal costs Rs 20. Withdrawals at other banks' ATMs are free for the first three per month and cost Rs 21 each after that.

The daily ATM cash withdrawal limit is Rs 40,000. The daily limit for UPI transfers is Rs 1,00,000. NEFT and RTGS transfers made through internet banking are free of charge.

6. Cheque Books

7. Dormant and Inoperative Accounts

An account with no customer-initiated transaction for 24 consecutive months is classified as inoperative. Interest continues to be credited to an inoperative account.

To reactivate an inoperative account, the customer must visit any branch with original identity documents and submit a reactivation form. No charge is levied for reactivation.

8. Closing the Account

An account closed within 14 days of opening is closed free of charge. An account closed after 14 days and within 12 months of opening attracts a closure charge of Rs 500. No charge applies to accounts closed after 12 months.

On closure, the remaining balance is transferred to an account nominated by the customer within 3 working days.

9. Lost or Stolen Cards

A lost or stolen debit card must be reported immediately by calling the 24-hour helpline at 1800-555-0199 or by blocking the card in the mobile app. The customer is not liable for unauthorised transactions reported within 3 working days of the customer receiving the transaction alert.

A replacement debit card costs Rs 200 and is delivered within 7 working days.

10. Fixed Deposits

Customers with an Everyday Savings Account may open a fixed deposit with a minimum amount of Rs 10,000 for a tenure between 7 days and 10 years. Fixed deposit interest is paid at maturity for tenures up to 180 days, and quarterly for longer tenures.

The fixed deposit rate for a tenure of 1 year to 2 years is 6.80% per annum. Senior citizens aged 60 or above receive an additional 0.50% per annum on all fixed deposit tenures.

A fixed deposit closed before maturity earns interest at the rate applicable for the period it was held, minus a premature withdrawal penalty of 1.00%. No interest is paid on fixed deposits closed within 7 days of opening.

11. Recurring Deposits

A recurring deposit allows a fixed monthly instalment of at least Rs 500 for a tenure between 6 months and 10 years. A missed instalment attracts a penalty of Rs 1.50 for every Rs 100 of the instalment. If six consecutive instalments are missed, the recurring deposit is closed and the balance is moved to the savings account.

12. Joint Accounts

An Everyday Savings Account may be held jointly by up to four individuals. The mode of operation may be either or survivor, former or survivor, or jointly by all holders. A change to the mode of operation requires written consent from every account holder.

17. Changes to These Terms

The bank will give at least 30 days of notice before any change to these terms that is not in the customer's favour. Notice is sent by email and published on the bank's website. A customer who does not accept a change may close the account without a closure charge during the notice period.
